

Conduct Online Conversations

As Grow PA develops Big Ideas for a Strong Economic Future, it is important that we are hearing voices from across the Commonwealth. Below we've provided digital surveys as a way for you to generate conversations online to share ways to grow PA.

Digital Surveys

The surveys below were created to gain an understanding of how Pennsylvanians prioritize the issues affecting the Commonwealth. The Chamber of Commerce for Greater Philadelphia will share the survey results upon request at the end of the initiative.

Use the links below to share these surveys on social media and with your email lists and conversation attendees.

General Grow PA Survey: chmbr.biz/growpa-conversations (All three surveys combined)

Infrastructure Survey: chmbr.biz/growpa-infrastructure-conversations

Health Care Innovation Survey: chmbr.biz/growpa-healthcare-conversations

Higher Education Survey: chmbr.biz/growpa-highered-conversations
